BANK OF CHINA, JAPAN, AND THE

The fourth an ual peneral meeting of the Bank of China, Japan, and the Straits (Limited). was held out he 26th Robenstvat & annon-street Hotel, R.C. Mr. William Koswick prosided. The Secretary (Mr. C. H. Campbell) having real the notice convening the meeting, The CHAIRMAN seid-Gentlemen, the repor which, with your permission, we will take as read,

the heard line undervoured to make full and clear as

regards the bank's nosilien, and you will readily

understand how great is the directors' disappoint ment and unfeigned their regret to have to submitto you such onsatisfactory results of the year's business. Probably everyone present is aware how adversely everything has gone in the sphere of the bank's operations - how silver has fallen in value. and exchange fluctuated and declined under experimental and dangerous currency legislation in India and how securities have consequently depreginted To these causes, and, doubtless, to errors of judgment also, the results are to be attributed, but you will perceive that, with the whole course of Indian linuvos going the contrary to official direction and expectation, with have to report that a firm in the Ceylon and China 5.1 and although Meaden menaged to the highly influence of the contents part of the Government, it has been next to imnothing, not to make mistakes. In illustration of this I might mention that the bank, exchange when the closing of the Ludian mints was apparently decided upon, took an interest in rupes paper equal to its fouds regarded as Indian capital, and spemed likely by the operation to cover the inst in exchange which the al-

teration implied when again suddenly, the policy of the Government was shaken and this led to a loss of about 20.900, instead of an almost realised bandsome profit. In other ways, to , as the unex-

throughout 1896 and 1897 will be amply provided for by the repayment of advances and bare y brosed \$20,000 and are against a doubt-

and he let everything all right when he took flow houses adjoining and at one une second call is being met, but, considering the appeared to seriously threaten the whole of that favourable way in which the first portion of the and handed down into the book the two time of extensive block. The efforts of the Brigado cett was mer except by the Chinese sharelead telling the bostwoman to well for him, were almost futile, for the jets from nearly bolders. Lithink when we do get our advices we greater than the sum I have named. With the which berely reached the first doors of Chinese in Shanghai we have had difficulties, the premises and were olderly unable and I should mention that we have taken proto touch the book of the fire With condings to enforce the collection of the call The Chinese sharebolders are then of substance. We were careful that we made no transfers to men who were not solvent and we have every reason to balieve that when they are convinced that the call is rightly made, and ought to be paid it will be met. I should wention too, that tongues of fire which scorcied and blistered and but the precaution to have from the Chinese actually endangered the fronts of the shops that they did not understand the liability inflicting great equalty upon it. The head of opposite In some of the houses which were attached to the abares, a paper signed in this the animal was hanging down and the bamboo used as ordinary Chinese hougs on the ground form in Chinese as well as English :- "I hereby request you to register me as the holder of briling; Shares of the Bank of China, Japan. land the Straits Limited transferred to me ; and. while in our of the buildings an explosion of in consideration of an abound so I agree to may

the calls in read of the money's nuplid on the Fortunately the indomitable efforts of the said shares at the proper and places appointed by the directors murmant to the articles of association; and I further agree that all questions Mr. H. E. Wodellog a and Absistant Supering heaven us and the bank shall be decided in Ling Kan Cho a passige broker, was charged tendent. Horspool, word rewarded by an area- accordance with the law of England." From one Chinese shaceholders we have a document of that natura which I think will be entirely convincing in any court, and we have no doubt keery thing having been committely burnt about the result of our application to the Chihere court to enforce payment. The next item a fixed deposits and current accounts, £1,334.898 s: 1d. Of these about £74,500 are in silver id as stated by me in my earlier remarks, they all due over an extended period only ending in

1897 although during 1896 the amount to-be repaid he matters now stand will be large lills parable are neceptances against security. ind amount to only 222227 128 Loans and ontion bankers acceptances stand at £171.67 3. These were naive temporary, and have practionly coused. Other liabilities, £1,463214 14s. id are as I explained last year in a great measure made up of cross entries required by the exigencies of book keeping, and in some measure due to the closing of our books in the gest on Optober 31 while in London we close on led 31. The entries, by such an arrungement, look large; but they have equivalents on the nther wide. Turning now to the credit side, there is the item cash in hand £65.213 He. Ed., but that does not bull for comment. The entry Indian Government Runes Paper explains itself. Chese were remittances on the way o and in India, not only on October 31 but in transit to December, 31. I he greater partion was sold in India before transfer thither and not a runse was unsold on that date 252,000 in London was temporary and led promptly closed. Investments in London £30.257.5s, are all sound, and those in the East

Pare equally so and dividend bearing: Advances uguinst securities. 2 65,7 4 17s. show a reduction during the year of £335,541, and are being gradually and steadily liquiduled. As mentioned in the report were realisations forced there would be loss: but with the securities all of a sound and improving obaracter -improvement in several cases having already taken place-we look for a not unfavourable ultimate result, and. callie meantime we are receiving all round interast upon the advances somewhat in excess of the rate-we are paying on deposits. Bills receivable and other ussets I have already referred to in ponnection with due counterpart ntry other impilities. The entry of deposit zpenses explains itself. As to the profit and was account on the debit side the expenses of management are \$24214 163 61.—a slighty smaller sum than last year, the directors niving taken less than half the former fees. Deposit expenses interest on fixed deposits. &c... In a new Cormon weaving will each of the ere so I explanatory. On the credit side, the ighty loome is drayen by its own electric motor; gross profits are Lily 851 10a. 2d -in itself not In a separate the Bureau of American Residential activities and allicities is out of onblication coal and perfolence to Columbia it only 219389 Let 7d of net gain, and the ne-

BLUE ROOK | rose to the surface alternately with and before | Hongkong and Changhai committee were omitted from the report.
